FINAL ACT OF HUERTA'S REIGN BEING STAGED

Family and Escort Reach Vera
Cruz En Route to
France

[Associated Press by Fed. Wireless.]
CITY OF MEXICO, July 15.—Indications of Huerta's coming flight came last night with the departure of Huerta's family and other relatives over the reconstructed railroad to Vera Cruz. They left at 10 o'clock last night on a special train composed of three sleeping cars and a baggage car running ahead of two military trains carrying 800 troops and followed by another carrying 500 officers and well armed men.

The family of General Blanquet also accompanied the party.

President Huerta was a guest of the French colony here yesterday. It is believed that himself and General Blanquet and a few of their most loyal followers will leave this morning for Vera Cruz.

The French liner Espagne is now in the harbor at Vera Cruz. Several members of Huerta's cabinet, together with members of their families, already are aboard. It is believed that this is the vessel that will be used in conveying the party to France.

DEATH COMES SUDDENLY TO FRISCO SUPERVISOR

[Associated Press by Fed. Wireless.]
SAN FRANCISCO, July 15.—Michael Coffey, the first of the San Francisco supervisors under the regime of Mayor Schmitz who was convicted in the sensational graft trials of a few years ago, dropped dead in a hospital here yesterday. Death came while Coffey was waiting for physicians to examine his daughter for a trivial complaint.

SEA SERPENT INVESTIGATES KALIHI CHANNEL PROJECT

A real sea serpent, not an ordinary old-fashioned eel that anyone is liable to meet up with, was caught in the Kalihi breakers a few days ago and has been mounted for exhibition by J. D. Seabury.

Eels are caught with alarming frequency in the vicinity of Honolulu and they are fit to eat—at least some folks think so—while sea serpents are an oddity around Oahu and elsewhere and are not usually taken into captivity except in cases where the most eminent physicians brand as "D. T.s." However, this particular sea serpent that had its abode in the Kalihi breakers is guaranteed not to be of the "D. T." variety but one that is very apparent to the most abstemious.

G. O. P. RULES GOVERNING THE COUNTY MEETING

Since the publication in the Star-Bulletin yesterday of the call for the county Republican convention to draft a county platform, several Republicans have expressed their surprise and questioned whether such a convention is provided for in the rules of the party.

For the information of these Republicans the Star-Bulletin publishes the sections of the rules governing these county conventions:

"County Platform, Article IV, Sec. 1.—County platforms shall be formulated by delegates to the Territorial convention provided for in Sec. 2 of Art. VII except in the event of a county election being held at a time other than the general election, in which case the county platforms shall be formulated by delegates elected specially for that purpose as provided for in Sec. 17 of Art. 1.

"Sec. 2.—Delegates to such Territorial convention shall, two weeks after adjournment of said Territorial convention, upon call of their respective county committees convene in their respective counties or city and county and formulate a county platform for their respective county or city and county.

"Sec. 3.—The chairman and secretary of the Territorial convention shall immediately upon adjournment of such convention forward to the several county committees the names of the delegates from the respective counties as appearing on the permanent roll of said Territorial convention, which shall form the roll for organization of such convention."

STANDARD OIL MAY DOUBLE CAPITALIZATION

[Associated Press by Fed. Wireless.]
SAN FRANCISCO, July 15.—The stockholders of the Standard Oil Company of California at a special meeting held yesterday authorized an increase in capital stock of the company from \$50,000,000, as at present, to \$100,000,000. It is believed the increased capitalization will be devoted to further developing the company's oil properties in this state.

SICK, SOUR STOMACH, INDIGESTION OR GAS

Take "Pape's Diapiesin" and in five minutes you'll wonder what became of misery in stomach

Wonder what upset your stomach—what portion of the food did the damage—do you? Well, don't bother. If your stomach is in a revolt; if sour, gassy and upset, and what you just ate has fermented into stubborn lumps; your head dizzy and aches; belch gases and acids and eructate undigested food; breath foul, tongue coated—just take a little Pape's Diapiesin and in five minutes you wonder what became of the indigestion and distress.

Millions of men and women today know that it is needless to have a bad stomach. A little Diapiesin occasionally keeps this delicate organ regulated and they eat their favorite foods without fear.

If your stomach doesn't take care of your liberal limit without rebellion; if your food is a damage instead of a help, remember the quickest, surest, most harmless relief is Pape's Diapiesin which costs only fifty-cents for a large case at drug stores. It's truly wonderful—it digests food and sets things straight, so gently and easily that it is really astonishing. Please, for your sake, don't go on and on with a weak disordered stomach; it's so unnecessary—advertisement.

PROF. SHIGA HERE, EN ROUTE TO CONVENTION

Japanese Educator Will Attend
Congress of Americanists
in Washington, D. C.

En route to Washington, D. C., where he will attend the 19th International Congress of Americanists, Prof. Shigataki J. Shiga, of Waseda University, Tokio, and one of Japan's foremost educators, arrived in Honolulu last night on the Nippon Maru. Prior to proceeding to the mainland, the professor will spend several days in the islands, during which time he will deliver a series of lectures in Honolulu and make an inspection of the local Japanese schools.

Following the close of the congress, Professor Shiga will go to San Antonio, Texas, where he will superintend the construction of a tomb in memory of the heroes of the Alamo, who lost their lives in the defense of that fortification during the war with Mexico for the independence of Texas. The stones for the tomb are being brought from Japan by the professor. The tomb is to be of distinct Japanese design. Professor Shiga is not unknown in Honolulu, as several members of the Hawaiian excursion party had occasion to meet him during their recent visit to Japan. Local Japanese are planning a number of receptions and banquets for the professor during his stay here.

U. S. GUNBOAT MAKES PORT IN CRIPPLED STATE

[Associated Press by Fed. Wireless.]
WASHINGTON, July 15.—With its main deck awash, the American gunboat Princeton arrived at the government naval station at Tutuila yesterday in a sinking condition. Lieutenant Commander Beall at once cabled to the navy department at Washington reporting the condition of his vessel.

He states that the Princeton was engaged in surveying a passageway between Tutuila and the Anuu Islands when his vessel struck on an uncharted rock. A large hole was torn in the hull and the gunboat began to fill rapidly. The pumps were placed at work, the vessel was put under full speed and headed direct for Tutuila to prevent the ship from sinking, reaching port just in time.

CONGRESS ASKED TO REINSTATE NAVAL OFFICER

[Associated Press by Fed. Wireless.]
WASHINGTON, July 15.—Bills providing for the reinstatement of Captain Potts of the United States navy, who was recently retired by the "plucking board," were introduced in Congress yesterday. The measures have received favorable recommendations.

Captain Potts had but a few months more to serve before advancing to the rank of rear-admiral.

The "plucking board" claimed he had not seen sufficient sea duty. He refuted this with the claim that he had been called to Washington to assist in department work and without his solicitation.

HAWAII DAY AT PANAMA FAIR IS SET FOR JUNE 11

Appropriate Date Is Decided
on for Hawaiian
Celebrations

[Associated Press by Fed. Wireless.]
SAN FRANCISCO, July 15.—At a meeting of members of the Panama-Pacific exposition commissioners and others held here yesterday it was decided to set aside June 11, 1915, as Hawaii Day at the Panama-Pacific exposition. Thus will the birthday anniversary of Kamehameha, the king who conquered and united Hawaii, be appropriately commemorated at the coming exposition.

"The doctor says my grandmother can't possibly live two weeks, sir."
"Old stuff, my boy. You buried three grandmothers last spring."
"I know, sir, but this is another grandmother."
"Another one? How do you make that out?"
"Well, you see, my father married four times."—Detroit Free Press.

The tall man entered the drug store and taking out his watch to compare it with the clock, he remarked, "I think my watch is run down." "Let me recommend our sarsaparilla, sir," said the clerk at the soda fountain.—Boston Evening Transcript.

With the cloth trottier costume the perfect collar is of fine muslin or transparent cambric.
